

May 9, 2022

Greetings,

We are writing to notify you that Kerr McGee Oil & Gas Onshore, LP, a subsidiary of Oxy USA Inc, is currently working through the permitting process to obtain approval for the Bronco Comprehensive Area Plan (CAP). We are committed to being a good neighbor by providing frequent and transparent information, seeking your feedback, safeguarding the environment, and protecting the health and safety of the communities in which we live and work.

If you'd like to learn more about the Bronco CAP and have your questions answered, please join us for a virtual community meeting.

Date: Monday, May 23, 2022, 6:00 p.m. to 7:00 p.m. If this day and time do not work for you, please don't hesitate to contact us to discuss this project or to set up a meeting.

Registration: Please register to attend by Thursday, May 19, to ensure access to the event. After you register, you'll receive information on how to join the meeting. After the community meeting, registered participants will receive the presentation and a survey via email. You can register in one of three ways:

1. Point the camera on your smartphone at the QR below. Then, click on the link that pops up
2. Send an email to ColoradoStakeholder@oxy.com, and we will send you a registration link
3. Sign up here: https://us02web.zoom.us/webinar/register/WN_VPkeRQ19Seu0UGy_rcHsOA

Please see the proposed comprehensive area plan map on the reverse side of this letter. In addition, information regarding the Bronco CAP can be found on the following sites:
